How we work?

We work with maximum 3 local travel partners from each country as our “**Premium Partners**” and we share the each customer enquiry between them. Limiting three partners ensures that both you and the customer receive the maximum value from us. Each partner will communicate with customer directly by themselves and offer the services.

What Premium Partner will get?

- Be our local premium travel partner.
- Independent traveler/tour operator can contact our partner by phone or email as well as making any request through our website enquiry form.
- We will send the customer enquiries on your personal email id.
- We are managing each country separately example Malaysia: www.mvmtravel.com/malaysia and our partner will use this country website to promote services and connect with our worldwide network.
- Our partner will be listed under our Worldwide Premium Partners <http://www.mvmtravel.com/partners/>
- Our Partner name will be list under local travel agent directory <http://www.mvmtravel.com/malaysia/agents/>
- Partner’s can list unlimited tours, promotions and testimonials.
- We achieve this connection by providing our local partners a very easy back office system to load unlimited product information.

What we do?

- MvMTravel is about connecting independent travelers with our worldwide local inbound tour operators as well as giving opportunity to connect your business with worldwide tour operator network.
- Our responsibility is to market our partner services as well as maintain his information/contents time to time and provide best infrastructure.
- Our partner provides the best information and service about what can be done locally and uses our global marketing platform to connect with business.
